Academic “Community Services”:

As scholars we take on tasks not strictly part of our obligations and not accounted for but that are vital to our system including the below (all of which I have undertaken in 2012).

- Evaluation work of e.g. educational programs, research and educational institutions.
- Reference writing for colleagues/peers.
- Hiring and promotion committees for assistant and associate professor positions outside the own university.
- Participation in informal research networks.
- Commenting on final PhD drafts and research proposals outside the own university/own supervisees.
